

# ABOUT NFRC

NFRC is the UK's largest roofing trade association and the leading voice of authority for the roofing trade. NFRC provides its members with the latest technical guidance to ensure we are compliant with industry regulations and standards.

NFRC provides impartial support should there be any problems.

NFRC Members are obliged to meet ethical standards, covering:

- Quality and standards
- Integrity
- Transparency and openness
- Discriminatory conduct
- Fair compensation.

# WHY CHOOSE US?

Our business has passed a rigorous vetting process to ensure we maintain sound business practice.

## Our promise as an NFRC Member is:

- We deliver exceptional workmanship
- We are verified by the UK's leading roofing authority
- We give you peace of mind with complete insurance coverage
- Our commitment to NFRC's strict Code of Practice and standards.

NFRC also requires all Members to hold complete insurance coverage, and fully comply with all relevant legislation and safety requirements.

Choosing an NFRC registered contractor means choosing a member of a professional, competent community whose quality and reliability have been verified by the industry's most respected roofing authority.
